Before you apply for a business loan, first attend a free financing roundtable. We'll debunk the myths and demystify the process of small business financing. The "team" is a banker, an SBA representative, an SBA business counselor, and business owners like you. You'll get first hand information on what credit criteria your banker has. The team will answer all of your financing questions and give you advice on what steps to take to achieve your goal of starting or expanding a business. We'll explain how the SBA loan guarantee can work for you.

The roundtables are best suited for those who have good credit, a solid business idea, and some money to invest in the business. The sessions are free, but you must register as some may be cancelled due to low registration. SBA does not provide loan guarantees to real estate investment companies. All sessions are from 9 am to Noon, except where noted.
